Salon Series I: Spotlight on the Inner Experience of Gifted Adults

ISAD is delighted to present **Salon Series I: Spotlight on the Inner Experience of Gifted Adults**. The purpose of the Salon Series is to bring together those interested in exploring adult giftedness and to enjoy collegiality within a worldwide virtual community. Selected authors from Volume 18 of **Advanced Development** will share their ideas and experiences via upcoming webinars from April to August. Participants will be invited to engage through guided questions that emerge during each session. This five-session series includes an electronic copy of **Advanced Development**, Volume 18, and access to each session during the live event or through a recording.

Special pricing for the first series:

\$59 for Advanced Development Journal Volume 18, and access to five sessions/recordings. Reading the journal is required to attend the sessions. If you already own ADJ Volume 18, the cost is \$35.

**Fourth Thursdays, April—August, 2021
1:00 - 2:30 pm U.S. Mountain Daylight Time
